

II. Significant financial interests- List all organizations doing business with the MBL or whose business is substantially related to your institutional responsibilities at the MBL from which you receive salary or other compensation (royalties, licensing fees from patents, copyrights, etc.) greater than \$5,000 for the preceding 12 months; or in which you have equity interests (stocks, options or other ownership interests) valued at \$5,000 or more; or 5% or more ownership interests. This includes aggregate financial interests of yourself and your immediate family members (spouse, domestic partner, and/or dependent child/ren). Equity held via mutual funds, pension funds, etc., are excluded. You may also exclude income from seminars, lectures, teaching, and service on advisory committees or review panels, for public (governmental) profit-entities

III. Additional Information: Briefly describe any other professional or personal circumstances or activities that in your opinion might be reasonably construed as having a potential impact on your judgment about your official MBL responsibilities.

---

Please acknowledge the three statements below (if you are a course director or an adjunct scientist with MBL, please acknowledge the first two statements only) and sign the form.

I have read and understand this Policy and, to the best of my knowledge, I have no affiliation with any organization or activity other than listed above that could be construed as constituting a conflict of interest with the MBL, as defined in the MBL's Conflict of Interest Policy.

If, during the course of the year, my affiliations or significant financial interests should change, I will notify the Director of Research Administration and Operations within 30 days or in any event before any new research proposal is submitted or before any more funds are expended from an existing award.

I certify that I have worked less than 52 days total in the past year on outside activities as specified in
